

# ACD Systems Announces "Complete Pack" of Advanced Photography Products

**The ACDSee Complete Pack Offers Users a Comprehensive Collection of Video Conversion and Photo-Editing Products at a Value**

ATLANTA, GA and VICTORIA, BC--(Marketwired - Feb 10, 2015) - ACD Systems today introduced the ACDSee "Complete Pack," which bundles five of the photography software company's products, including the new ACDSee Ultimate 8. This pack will absorb the previously offered "Family Pack," which included ACDSee Pro 8, ACDSee 18, ACDSee Mac Pro 3 and ACDSee Video Converter Pro 4.

ACDSee Ultimate 8 was introduced in December 2014 and was the first to combine powerful Digital Asset Management (DAM) software with a layered editor, providing photographers and graphic designers with professional photo manipulation capabilities. With the inclusion of this product, the Complete Pack offers advanced cataloging and management, streamlined workflows, extensive editing tools and flexible sharing solutions for friends and family. The pack also features versatile lighting tools, powered by ACDSee patented technology, known as Light EQ, in addition to RAW support and speed.

The ACDSee Complete Pack is available for a limited time, introductory price of \$119.99. The pack includes a lifetime license key, allowing up to three users, for the following products:

- ACDSee Ultimate 8
- ACDSee Pro 8
- ACDSee 18
- ACDSee Mac Pro 3
- ACDSee Video Converter Pro 4

Additional information, including full system requirements can be found online at [www.acdsee.com](http://www.acdsee.com).

## **About ACD Systems**

Founded in Texas in 1993 by imaging visionary Doug Vanderkerkhove, ACD Systems is one of the largest and most respected independent digital editing and management companies in the world. Doug foresaw the importance of the convergence of analog and digital (print, photos, scans, video and metadata). The company's products include ACDSee™, and CANVAS X™, which helps Fortune 500 companies enhance, manage and disseminate their valuable digital assets. Customers include General Motors, Caterpillar, Boeing, The New York City Fire Department, NASA, CNN and the Royal Canadian Mounted Police.

Today ACD holds six patents and millions of ACDSee™ and CANVAS X™ products are currently in use throughout the world.

ACD Systems can be found online at [www.acdsee.com](http://www.acdsee.com), on Twitter at @acdsee and on Facebook at [www.facebook.com/acdsee](http://www.facebook.com/acdsee).
