ACD SYSTEMS LAUNCHES LUXEA FREE VIDEO EDITOR: FREE AND EASY VIDEO EDITING

VICTORIA, BC (August 16, 2023) Today, ACD Systems International launches LUXEA Free Video Editor, the free version of their video editing software making advanced video editing accessible to videographers everywhere.

LUXEA Free Video Editor offers an impressive suite of tools to record, edit, produce, and share stunning videos easily. Take advantage of Keyframing to create professional-grade videos. Use the Properties Panel to control all of your media settings, no matter the file type. Customize your workspace, work across multiple monitors, and so much more.

"We're excited to share this powerful, free video editing software with the world. We're breaking barriers of entry by providing users with some of the most powerful tools in video editing, without also needing to break the bank. We're thrilled to see what magic our users will create." - Frank Lin, COO & CTO

Top Features:

1. **Screen & Webcam Recorder:** Record your screen, webcam, microphone, system audio or any combination. Create high-quality, real-time recordings with zero rendering time.
2. **Limitless Tracks:** Add video, image, and audio files to the timeline and layer them on as many tracks as needed.
3. **Multi-Monitor Editing**: Experience a smooth workflow across multiple displays, allowing you to view your project in Fullscreen while having your tools conveniently close-by on another monitor.
4. **Customizable Workspace:** Rearrange, dock, and undock panels to create your perfect workspace.
5. **Keyframes**: Apply keyframes along the timeline to create precise adjustments, and smooth transitions.
6. **Audio Editing**: Pan audio, adjust pitch, and control independent L/R channel volume.
7. **Export Tool:** Export your creations straight to Youtube and Vimeo, or save them locally in a variety of formats.
